

# Code Blocks

## Simple Code Block

```
This is a simple code block  
with multiple lines  
of code.
```

## Python Code Block

```
def hello_world():  
    """Print hello world."""  
    print("Hello, World!")  
  
hello_world()
```

## JavaScript Code Block

```
function greet(name) {  
    return `Hello, ${name}!`;  
}  
  
console.log(greet("World"));
```
